1). I write to state that the preliminary notifications pertaining to remaining properties of Raja of Venkatagiri for Kumara Park XII Block notified in No.L.64/I.T.B.1-55-45 dated 2-4-56 are reported by the Special Land Acquisition Officer of the Board to have been given wide publicity in the locality concerned and also on the office notice Board, and that in response thereto, two objection petitions were filed by the owner of the properties viz., Raja of Venkatagiri through his council challenging the validity of the acquisition proceedings under the Land Acquisition Act instead of under sections 16 and 18 of the City of Bangalore Improvement Act. The opinion of the Government Pleader on the objection petitions were called for and his opinion is also herewith enclosed to the effect that there is no validity to the said objection of the party which savours of his disinclination to part with his properties. The party has also requested for the retention of the buildings and its surroundings in his possession for his own use but this question will be decided after the acquisition proceedings are completed in respect of the entire area inclusive of these buildings. The value of these buildings has also been included in the scheme sanctioned by Government in their order cited above.

2) The action taken by the Board is quite in conformity with the provisions of Sub Section(3) of section 14 of the City of

(2)

of Bangalore Improvement Act which the party cannot question.

3) Under the circumstance, I enclose herewith marginally noted papers relating to the preliminary proceedings so far taken by the Board in the matter under section 4(1) of the Land Acquisition Act for favour of sanction of Government to the final notification authorising the Special Land Acquisition Officer of the Board to exercise the powers and functions of the Deputy Commissioner and to take possession of the land under Sections 3 and 7 of the Land Acquisition Act.
